An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Ms. Eden Stright on March 11, 2005.

The application has been amended as follows. Claim 35 is added, as follows:¹

--A method for processing a call in a telecommunications system including a plurality of network components communicating with a switch that is capable of being programmed and having a plurality of ports, the method comprising:
transmitting program instructions to the switch for answering a call received by the switch from a telephony network and for selectively distributing the call to one of the ports corresponding to the network components based on availability of the network components, wherein the network components have connectivity to a common data network.--

Any inquiry concerning this communication or earlier communications from the examiner should be directed to William A. Luther whose telephone number is (571) 272-3142. The examiner can normally be reached on M-F.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Chi Pham can be reached on (703) 272-3179. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
